

Sun Sounds

Directions: Read the book *The Sun Is My Favorite Star* by Frank Asch. With your child, identify the different sounds in the word “SUN.” (S - UH - N) Have your child color the suns and rays. Help your child cut out the suns below. Make the sound on each sun. Help your child cut out the rays on the next page. Then, help your child identify the objects on the rays, making sure to emphasize the three sounds from “sun”. Have your child match the sounds of the objects on the rays to the sounds on the suns. Lay the rays around the sun.
